- Guilds wishing to sell products should complete the reservation form as a vendor.
- Booths used just for animals cost less (see below).
- Returning vendors who reserved their space by July 5, 2017 paid fees at the lowest discounted rates listed below. Returning vendors who reserved their space by February 15, 2018 paid fees at the slightly higher rates listed below. Rates are highest if space is reserved after February 15, 2018.

- There is a \$5 fee per vendors needing electric power, regardless of the number of booths/outlets or time of registration. Please note the option to use electricity may not be available to vendors registering late since the number of outlets is limited and the available booth spaces may be too far from an outlet.
- Fees listed below are for the vendor spaces located inside our rented tents. A few outside spaces are available at a \$10 reduction in whatever fee is applicable based on membership level and date.
