

**2020 CNY Fiber Arts Festival
June 13 – 14, 2020 Bouckville, NY**

2020 Prospective Vendor Information

The 2020 CNY Fiber Arts Festival will have space for about 105 – 110 vendor booths. Some of those spots are used for exhibits, the Wheel Corral, and spinning guild demonstrations, and some are home to fiber animals. We try to offer a good variety of products in the vendor booths, with the clear majority of them featuring raw fiber products, finished fiber products, and tools and equipment related to the fiber arts. We also welcome a potter or two and we appreciate having a few vendors with other farm products and other fine crafts.

Almost all the vendor booths are 10’ x 10’ spaces within rented white tents with sidewalls, 30’ x 100’. A few spaces outside of the tents are available, with vendors supplying their own tents and occupying a space that is closer to 15’ x 15’ to allow for stakes.

The information requested below will be recorded on our waiting list and will help us to prioritize your request. We will reach out to people on or waiting list after February 15th, 2020. It’s impossible to predict how many openings we will have, but we always have some.

Reduced rates for booths are offered to returning vendors and to individuals who join us as regular or supporting members or sponsors. Rates for new vendors range from \$75 - \$90 for a vendor booth, depending on membership status. There is a \$10 fee reduction for spaces outside of our tents. Animal booths are free.
