CNY FIBER ARTISTS & PRODUCERS

FROM ANIMALS TO ART

MISSION STATEMENT

The mission of CNY Fiber Artists and Producers, Inc. (CNY FA&P) is to build and sustain a regional community of fiber artists and producers. The organization seeks to support local fiber farmers and artists by offering venues for the exhibition and sale of fiber animals, fiber products and finished goods made from natural fibers. The organization strives to foster the development of high quality fiber animals and the production of fine fiber craft through contests, demonstrations, workshops, education, outreach, and our annual festival.

CNY

FIBER ARTISTS & PRODUCERS

FROM ANIMALS TO ART

THE FIBER RESOURCE GUIDE & MAP

The Fiber Resource Guide is an annual publication of CNY Fiber Artists and Producers, Inc. (CNY FA&P). Its purpose is to unite fiber artists, producers and consumers creating sustainable markets that extend beyond our annual fiber festival. Each fiber related business / farm is listed in alphabetical order and has been assigned a number. Use the categories to find fiber related products /services and the businesses/ farms that them. Use the numbers to locate the business / farm on the map in the center of this Guide. X marks the spot where our annual festival is held.
